

Bridges Virtual Academy is a Wisconsin based K4-12 virtual charter school that serves students at the elementary, middle, and high school levels. Students can apply at the preschool (4-year-old) level if their district also offers that corresponding grade level.

K4-2ND GRADE

AT A GLANCE

The K4-2nd grade program provides a personalized learning experience for your child focusing on foundational skills. We strive for a strong parent-teacher relationship to establish a positive and collaborative school environment. Using a variety of instructional methods, resources, and enrichment activities will help provide your child with engaging first experiences in school.

A TYPICAL WEEK

- Daily independent coursework to build foundational skills
- Exploration and discovery of math and literacy concepts
- Curricular choices from school-approved resources
- Online programs for reading and math
- Field trips and extracurricular opportunities

K4 & KINDERGARTEN

- Weekly skill tasks
- Optional recorded phonics/letter recognition course
- Literacy and math screeners

1ST & 2ND GRADE

- Quarterly projects
- Teacher-led writing units
- Virtual literacy and math supplement classes
- Math and reading assessments
- Art, phy-ed and music options
